

CCH Companies

Company Administration

Cloudware

A cost-effective and efficient tool for anyone involved with the administration of multiple companies.

Designed to cover the key activities in a New Zealand company's life, from incorporation, adopting a constitution, transfer and issuance of shares, annual general meetings through to liquidation and removal from register.

CCH Companies simplifies the compliance process to ensure annual returns are filed on time, and other regular company activities are appropriately managed with an easy to navigate interface.

Integration with NZ Companies Office

Companies information is directly imported from NZ Companies Office including Company details, shareholder/holding details, annual return date, and directors details.

File the AR and update directors details directly to NZ Companies Office.

Submitting Annual Returns via the CCH Companies software reduces AR filing fee to \$33 instead of \$36 (paid directly via DD to NZCO).

NEW! Electronic ID Verification

Integrated access to Cloudcheck, a service from Verifi Identity Services which verifies the identity of your clients for AML/CFT purposes in seconds using Australian and NZ data sources and global watchlists.

Capture and report AML/CDD information.

Shares

Transfer and issue shares and create all associated documentation.

Documents

Create documents from a selection of more than 300 templates, including procedures and online letters, minutes, resolutions, certificates, reports, share register, directors register, company constitution and AGM documents.

The document suite has a full range of topic headings and each contains the necessary forms, detailed practical guidance covering all the key events in a company's life cycle.

Procedural Checklists

For expert practical guidance, use one of our 60+ procedural checklists, covering all the key events in a company's lifecycle.

Manage information

Assign responsibility for annual returns, record directors nationality, place of residence, place and date of birth and directors interests.

Registers

Create and maintain registers including Register of Directors, Register of Directors Interests and Share Register
